

Fraternal Order of Police
St. Johns County Lodge #113

Basic Handgun Course

Instructor, Anthony Wrightsman

In this three-hour Basic Handgun Course, the core competencies for the use of a handgun will be discussed and demonstrated, providing students with a basic understanding of firearms, weapon manipulation, and marksmanship. Students will learn the basics of handgun safety, accuracy, and control which provides a foundation to build upon as you sharpen your shooting skills. Utilizing the on-site range, students work on proper stance, sighting the target, and trigger control.

Course Objectives

- Firearm Safety
- Firearm Manipulation
- Proper Stance
- Skill-Building Drills
- Live-Fire Drills

Required Equipment

- Handgun with two magazines, and holster (must be outer waist band secured with belt)
